

GRAND RAPIDS
YOUTH SYMPHONY
AND CLASSICAL ORCHESTRA

Dear Sirs,

Our fall season is quickly approaching and soon over 150 young musicians ages 12-21 from all over West Michigan will be returning to school and beginning rehearsals with John Varineau, Associate Conductor of the Grand Rapids Symphony. The Grand Rapids Youth Symphony & Classical Orchestra perform three concerts each year. The fall concert is performed at a local auditorium usually associated with an area High School while the Winter and Springs concerts are traditionally at DeVos Hall in downtown Grand Rapids. Performances are on Sunday afternoons at 3:00 P.M.

We are excited for our new season. The ever popular and highly talented Grand Rapids Youth Symphony has been in existence for more than 45 years. The Classical Orchestra, a smaller, newly formed group, is gaining great attention from talented students as it is a focuses on music literature from the Classical music period.

In preparation for this season's concerts, students receive specialized coaching sessions with Grand Rapids Symphony musicians and rehearse weekly on Monday evenings at Creston High School. We are able to service many local students in both orchestras giving them the experience of playing great music under an inspiring conductor. It is a wonderful experience to see and hear such fine teen musicians working at this difficult level of music.

It takes commitment and dedication from parents, students and people like you to continue to offer an excellent educational program to so many students. Your business will give much needed community support by advertising with us. In short, we need you!

All artwork and contract information must be received by the end of September. You may reach us by phone or fax at (616) 866-6883 or GYouthsymp@aol.com.

Thank you for any consideration that you give to the Grand Rapids Youth Symphony & Classical Orchestra.

Sincerely,

Barb Hammond
Manager, Grand Rapids Youth Symphony & Classical Orchestra

GRAND RAPIDS YOUTH SYMPHONY & CLASSICAL ORCHESTRA
